REQUIRED MATERIALS:
Quilting Cotton
Lightweight Interfacing
3 1/2" Metal Flex Frame
Thread
Extreme Glitter Silver
Other Embellishments as desired

CUTTING INSTRUCTIONS:

Material	Cut Size	Piece Name	No. Of Pieces
Quilting Cotton	4 1/2" x 4 1/2"	Main Body	two
	4 1/2" x 2 1/2"	Top Bands	two
	4 1/2" x 4 1/2"	Lining	two
Interfacing	4 1/2" x 4 1/2"		two
	4 1/2" x 2 1/2"		two

ASSEMBLY:

Following manufacturer's instructions, adhere interfacing to wrong sides of exterior pieces and tabs.

Fold short edges of tabs 1/4" over to the wrong side and press. Fold over 1/4" again and press. Stitch in place.

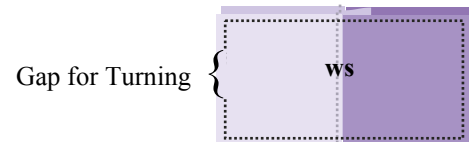

Wrong sides together, fold tab over. Press.

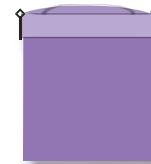

Layer tab between right sides of exterior piece and lining with raw edges of tab aligned with top edges of exterior and lining. Sew across top edge. Repeat for second set of pieces.

Open up pieces. Right sides together, pin pieces and sew edges, beginning and ending on bottom edge of lining pieces. Use a 1/2" seam allowance. Leave a gap of approximately 2 1/2" for turning. Be careful not to catch tab in seams as you sew center sections. Secure start and stop points with backstitching.

Clip corners. Turn inside out. Slipstitch opening closed. Press.

Apply Extreme Glitter to highlight elements of the fabric's design. Add other embellishments as desired. Insert flex frame into tabs following manufacturer's instructions.

NOTE: Seam allowances are 1/4" unless otherwise indicated.
