**Other Supplies:** Sixty 2” pentagon paper pieces, batting (approximately 56” x 68”), and basic sewing supplies.

### ASSEMBLY:

Prepare pentagons. Sew together in sets of 10 to form rings.

Make three sets with Cat Snacks and three sets with Fur Ball.

Center a fussy cut circle of Disco Kitty over one 14 1/2” square. Baste.

Remove papers from one pentagon ring. Center over the block and pin in place.

Applique ring to block using method of choice.

If desired, remove excess Tent Stipe from behind the circle.

Make six blocks.
Sew a 2" x 14 1/2" sashing strip to the top and bottom of each block. Sew a 5" x 14 1/2" wide border piece between the center block and each outer block.

Make two sets. See photo for block placement.

Sew sashing to sides of each set. Piece the leftover strips from the previous steps to the WOF strips to achieve the correct lengths.

Piece the wide border strips to achieve length needed and sew as shown below.
Layer the backing, batting and quilt top. Baste. Quilt as desired.

Sew binding strips together end to end. Fold in half lengthwise, right sides together to make double fold bias tape. Attach to right side of quilt. Wrap to back and hand stitch in place.

**Design Decisions**

This pattern is specific to Tula Pink’s Tabby Road. When using other fabrics, you may need to make adjustments to yardage amounts for fussy cut pieces based on the design elements you wish to isolate.

For a scrappier version, use different prints for each block background and pentagon ring. Also consider making pieced wide borders.

This is just a guideline. Use it to make a one of a kind, unique to you quilt. Just have fun doing it!

Featured fabric is Tabby Road by Tula Pink for Free Spirit Fabrics.
